**COMPANY PROFILE**

## COMPANY BACKGROUND

Founded in 2002 in Dar-Es-Salaam, Tanzania, Volex Electrical and Decorators Limited set its foot as an electrical supply and equipment trading and services company. Volex is registered by BRELA with tax identification number 106-200-599 and VRN number 40-004104-W.

Over the years, the company has earned a reputation for excellence and professionalism for continuously striving to meet - and even exceed - standards which set the climate for a sustainable business relationship with its clients.

As an electrical solution specialist, we offer electrical power products ranging from high tension distribution line materials such as transformers, HT cables, XLPE cables, panel boards, power meters, breakers to low voltage materials such as lighting fixtures.

Our team is composed of technically skilled and highly dedicated personnel working cohesively to promote value-added solutions with a competitive pricing structure to suit your needs.

We also engage in electrical product installations, testing and commissioning, preventive maintenance, automation, and energy saving solutions. Our commitment is to deliver outstanding results that will exceed your expectations.

The company partners with some of the biggest manufacturers in the electrical industry to ensure high quality products. Moreover, we continuously look for new products and enhance our services to serve our customers better.
